E. OTHER HEALTH INFORMATION

Notice of Special Enrollment

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance (including Medicaid or Children's Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (other than Medicaid or CHIP) or if the employer stops contributing towards your or your dependents' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility.

In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or due to a court order, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a dependent child will not change your coverage type or premiums that are owed. Eligible children who are added as a result of a court order are not subject to this enrollment period restriction.

Notice of Women's Health and Cancer Rights Act

- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.
